Things to Know about Spring Fair

Passport Stations

- There will be 2 or 3 passport stations around the school grounds. Students can get their passport there for a chance to win a prize at the end of the night. The passport stations will be marked by balloons so they can be easily found. Students will have to go to the various centres that give passport stamps to fill up their passport before claiming their prize. Passport centres will be marked on the Spring Fair map given the day of. If you need a bag to carry all your prizes in, they can also be found at the passport centre, as well as additional maps and information about the event.

Help Station

- The help station will be the passport station directly in front of the office. If you need first aid or are missing someone from your family that is the place to go. Please let you child/children know that if they do get lost, that is your meeting place as a teacher will be able to make a call over the P.A. system.

Rain or Shine

- If it rains, all events will be indoors and some will be cancelled due to space and safety (e.g., Hockey Shoot Out, Chalk and Bubbles, Skipping, and Hula Hoops). There will be a sunny day and rainy day map prepared before the event. When we know what the weather will be like, we will distribute the correct map.

Certain Timed Events

- Certain events like Zumba will only be happening at certain times that evening. Times will be confirmed closer to the event.

In Need of More Volunteers

For this event to run as smooth as possible we need more volunteers from the community to volunteer your time and efforts. Please indicate how you can help out by filling out the bottom portion of this slip. We are especially in need of volunteers from 5-8 to assist in running some of the events. High school students can also gain volunteer hours, however, we just need to know in advance. **Please return by May 29th**. Thank you!

If you have ALREADY filled out a form from the May newsletter, please DO NOT fill out another. We will already have your pervious slip on file. Thanks!
